

TRICAT 20 new 2018!

Little brother of TRICAT 25 Evolution, the TRICAT 20 is a brand new trimaran design for day sailing or coastal cruising.

Its shallow draft will allow you to sail easily near the coast and enjoy privileged anchorages.

The TRICAT 20 benefit of the TRICAT 25 Evolution folding system, allow it to keep a great volume in the main hull, a very good rigidity and an efficient folding system for the marina.

Delivered of "telescopic floats" and with a voluminous roof, the TRICAT 20 will offer a front double berths and 2 children bunks.

All the TRICAT know-how will be gathered in this 20-foot trimaran to ensure a sensitive helm and marine qualities worthy of a TRICAT.

Its voluminous floaters will provide fast and safety sailing.

Its size, allow it to be easy to handle, easily trailerable and financially accessible.

The cruising version will be equipped with many comfort equipments to provide great sailing days and cruises for the whole family!
